We Provide Dental Care For All Ages

Dental Care at First Flight

We provide dental care for all ages, including cleanings, exams, fillings, crowns, tooth extractions, and other preventive and restorative services.

Integrated Model of Care

First Flight medical providers can connect patients to our Dental team through an internal referral. Talk with your provider about your oral health needs and available dental services.

Care You Can Afford

We accept Medicare, Medicaid, and most private insurance plans. We accept for patients who don't have insurance, and offer a sliding fee scale program.

Visit our website at **FirstFlightHealthCenters.org** for a full list of accepted insurance plans, or call (937) 586-9733 option 1, then option 2 to speak with our Billing Department.
